

BRISTOL

JOB SHOW

SEMINARS

Friday 3 March 2023

TIME	PRESENTER	TITLE	CONTENT
11.30	The Hill Group	Is the future of UK Construction in the hands of the TikTok generation?	With a 'war for talent' circling in the construction sector why are we compromising on program and delivery, artificially inflating wages with astronomical salaries and focusing on the same ideas that seem outdated and fatigued? Why aren't we looking and focusing our efforts on the gen z talent pool? Join us to hear what Hill a 5* home builder is doing about attracting gen z'ers bringing a new perspective to the industry and making sustainable living number one on the built environment agenda.
12.00	Western Australia European Office	Western Australia, Its Like No Other.	Western Australia is the brighter alternative, with more jobs than people, sunshine than rain and world leading working and living conditions. Our Seminar will cover why you should consider a move to WA, the types of jobs on offer and most importantly the life you could build.
12.30	NHS Bristol, North Somerset and South Gloucestershire ICB	Health and Social Care: 350 Careers, 350 different opportunities.	A walk through the 350 different careers within Health & Social Care, the different entry routes and progression opportunities.
13.00	Teach First	Take Shape with Teach First.	It's time to start thinking about who you could become. Our Training Programme is your chance to become a leader. To release your potential. To be part of something that matters. This is a unique opportunity to learn more about how our Training Programme works. You can also get your questions answered from coaches who support trainees on our Programme. In a nutshell, you'll earn a salary, gain a fully-funded international qualification, and benefit from in-school training with a comprehensive support network. We know becoming a teacher is a big choice. Join our seminar to learn why Teach First and joining our 15,000 community could be the best route for you.
13.30	DAS UK Group	Working for DAS.	DAS UK Group would like to welcome potential employees to come and hear about our forward thinking, inclusive and inspiring legal expenses insurance company, law firm and the current opportunities we have.
14.00	Acacium Group	Keeping up with the apprentices – Acacium Group style.	An opportunity to learn about Acacium Group and our how Early Careers team can accelerate your career! Two of our fantastic apprentices who have recently graduated will be talking about their journey so far. From the initial assessment centre and interview, to apprenticeship and learning while you earn all the way through to a successful career!
14.30	Snapdragons Nurseries	Snapdragons Nurseries – Shaping Early Years	We're shaping Early Years education with progressive ideas and nurturing environments for our children, our families and our teams. Whether you're a qualified Early Years Practitioner looking for progression, exploring an apprenticeship, looking to achieve Teacher Status or ready for Management, we can talk to you about where you fit with Snapdragons. Find out how we can help you shape your dream career in Early Years.
15.00	NHS Blood and Transplant	Giving blood saves lives – register today	Find out about why new donors are needed in Bristol. We'll be talking about the need for new donors of Black African and Black Caribbean Heritage, different blood types, blood donor eligibility and the blood donation process.
